

Tualatin Hills Synchro

Vegetable Plant Sale

This is a fundraiser for our traveling squads. Every dollar goes towards reducing the cost of travel for our swimmers. So far this season we have traveled to Roseville, CA. We have traveled as far as New York for Nationals. This year Nationals is in Florida.

We started planting from seed in February. The girls mixed soil, planted seeds, and then up potted. We have over 500 plants. These young plants have had tender loving care. Now they want to be in your garden! Only \$2.00 for a 4" pot!

We hope that you will support our synchronized swimmers and buy vegetables that will surely give you a bountiful harvest.

When: May 16 & 17, 2009

Where: Tualatin Hills Aquatic Center, 15707 SW Walker Rd, Beaverton, OR 97006
